Arbitration agreement (separate arbitration agreement only for full members)

Between ... (Name of member)

and YES Forum EWIV - Youth and European Social Work Forum, Stuttgart / Germany

hereby and with effect from today enter into a contract.

Art. 13 (2) of this contract provides that disputes arising from the conclusion and implementation of this contract shall be settled before an arbitration court defined in a separate document.

Consequently, the parties hereby agree as follows:

1. Disputes within the context of above mentioned contract or regarding its validity shall be settled finally by an arbitration court outside the jurisdiction of an ordinary court.
2. The arbitration court shall have the same seat as the association's headquarters.
3. Each party shall nominate an arbitrator. The arbitrators shall elect a third arbitrator as an umpire who shall be qualified to exercise the functions of judge. Should a party fail to nominate the arbitrator within two weeks after receiving the fax or registered letter sent by the other party requesting so or should the arbitrators nominated by the parties not nominate a third arbitrator within two weeks after their nomination, the president of the Chamber of Commerce at the seat of the association (or of the Higher District Court, District Court or Local Court of the area of the association's headquarters) shall nominate the third arbitrator. The same shall apply should an arbitrator not be available and no other one is nominated within two weeks, or if the two arbitrators cannot agree upon a new umpire within such a period of time.
4. The arbitration court shall apply the substantive law applicable in the headquarters' respective country.
5. The local courts shall support the arbitration court in case of taking of evidence or other judicial acts pursuant to Art. 1050 ZPO (German Code on Civil Procedure). The Local Court or District Court shall be the competent court for preliminary or safeguarding measures. The Higher District Court in the area of the association's headquarters shall be competent for any further motions.
